

Clean Clothes With No Bother

That's what you get when you let us do your washing. You don't have to stand in the wet puddles around the tub, wade through snow to hang out the clothes and thus expose your self to the cold.

You don't have to smell the steam and soap all day. You don't have to lift heavy tubs fuss with a washer or bend over a wash tub to rub soiled clothing. Let us do your washing. It saves your health, energy and clothing.

munity type and the same amount of humus were compared. Each of these was dampened to saturation. The sand holding one-half ounce of water, the Page City soil 2 ounces and the pure humus 8 ounces.

In the farm crops class special attention was given to the testing for corn root rot. A 50 ear germination had been prepared by County Agent Caldwell and was shown at the class. Ears showing evidence of corn rot were examined. A general plan for having the Page City school test the corn for the community is being discussed as a result of this demonstration.

Special emphasis was placed on legumes and a great interest was shown in soy beans to be grown in corn or as a substitute for oats.

In the poultry class special emphasis was placed on correcting any errors that may exist in poultrymen's mind in regard to the Missouri plan of flock improvement. If it's a Paramount Picture it's the best show in town

PARAMOUNT'S
10th
ANNIVERSARY

will be celebrated every day of March in every town of the U. S.

Every day brings renewed gratitude for motion pictures.

You know by instinct that you were not made for only the dull routine of workaday life. You deserve a life spiced by adventure and romance!

And Paramount knows it! Paramount knew it in 1912 when it made the first feature picture—and Paramount has made the vast majority of the best feature pictures every year since!

The Name Paramount Stands for Whatever is Best in Motion Pictures

The history of Paramount is the history of motion pictures—all the way from the day when Adolph Zukor started the world by starring "the divine Sarah Bernhardt" in "Queen Elizabeth," and Jesse L. Lasky and Cecil B. De Mille made "The Squaw Man"—up to such successes of today as Cecil B. De Mille's "Fool's Paradise," Gloria Swanson in "Her Husband's Trademark," and Wallace Reid in "The World's Champion."

That's why this tenth birthday is worth celebrating!

Enjoy Paramount's Birthday at Your Theatre
